CARGO HANDLING

ABOUT US

MASNOEE CARGO HANDLING

Masnoee Cargo Handling is a well established name in India's maritime services sector, with a legacy spanning over two decades since our founding in 1996.

What began as a modest venture into the shipping industry has, over the years, grown into a comprehensive service provider trusted by shipping lines, cargo owners, and logistics stakeholders across Gujarat.

For more than 20 years, we have been actively engaged in a wide spectrum of shipping-related operations, combining hands-on experience with a deep understanding of port operations, cargo handling protocols, & maritime logistics.

Our longevity in this competitive industry is a reflection of the consistency, reliability, and professionalism we bring to every assignment.

OUR TEAM

To deliver safe, efficient, and reliable cargo handling & shipping support services that help our clients meet their operational and commercial goals, while upholding the highest standards of professionalism, integrity, and workmanship at every port we serve.
